

Shirley Dalton – Speaker Introduction

Shirley Dalton has served in a variety of leadership positions throughout her career.

Prior to starting her own business, Dalton Business Systems, Shirley was the Chief Operating Officer (COO) for an Australian international franchise organisation and was responsible for leading, training, coaching and supporting over 200 franchisees in Australia as well as master franchisees around the world.

Shirley's mission is to inspire, educate and support you to have what you want.

Fascinated by how people tick, Shirley is an expert on people and processes.

Today, Shirley specialises in helping business owners create their ultimate business lifestyle.

Working with Shirley, many of her clients are now enjoying their passions such as sailing, travelling or spending time with the family. All enjoy working less, making more and having more time.

Shirley is passionate about Personal Development (hers and everyone else's) and has taught programs on communication, leadership, teamwork, developing and using your intuition and how to systemize your business to thousands of people around the world.

Shirley was born to teach. Her presentations are dynamic, powerful and practical and a whole lot of fun.
